Fred Greenwood Award Presentation

Dr. Emma Fernández-Repollet, RCMI-CCRHD Principal Investigator and President of the RCMI Program Directors Association, presented Dr. Shelia McClure with the Fred Greenwood Award. The award recognized Dr. McClure's long-standing exemplary leadership and valuable contributions to the Research Centers in Minority Institutions Program. The award was presented during the Opening Ceremony of the 2019 RCMI National Conference held on December 15, 2019.

RCMI Center for Collaborative Research in Health Disparities Presentation

Dr. Emma Fernández-Repollet presented an overview of the RCMI-CCRHD Program at the University of Puerto Rico Medical Sciences Campus at the 2019 RCMI National Conference. Dr. Fernández-Repollet highlighted the research achievements of the Program, as well as its contributions to diversifying the biomedical workforce, mentoring early-stage investigators, providing an advanced research infrastructure and reducing health disparities.
