

**MENTORING RESOURCES AT THE UPR MEDICAL SCIENCE CAMPUS**

<b>RESEARCH PROGRAM</b>	<b>FOCUS OF MENTORSHIP PROGRAM (RESEARCH AREAS)</b>	<b>TARGETED GROUP</b>	<b>MENTORING ACTIVITIES</b>
<p>RCMI-Center for Collaborative Research in Health Disparities</p> <p>U54-MD007600</p> <p><a href="http://rcmi.rcm.upr.edu/?q=invdev">http://rcmi.rcm.upr.edu/?q=invdev</a></p>	<p>Offer mentor-based research experience and career development activities to RCMI-CCRHD early stage investigators conducting health disparities research.</p>	<p>Postdoctoral fellows and early stage investigators conducting health disparities research and receiving support from the RCMI-CCRHD.</p>	<p>-On-line grantmanship course for active RCMI-CCRHD early stage investigators</p> <p>-Survival Skills in Research Course for Graduate Students and RCMI-CCRHD early stage investigators</p> <p>-Seminars and webinars-open to UPR-MSC community</p>
<p>Clinical Research Educational Career Development- CRECD</p> <p>R25RR017589</p> <p><a href="http://eps.rcm.upr.edu/post-doctoral-master-of-science-in-clinical-and-translational-research/">http://eps.rcm.upr.edu/post-doctoral-master-of-science-in-clinical-and-translational-research/</a></p>	<p>Provide a mentor-based research experience and career development activities to candidates interested in becoming independently funded and committed <u>clinical researchers</u>.</p>	<p>Candidates holding a doctoral degree in a health field. Potential candidates include: faculty, fellows, residents, and interns.</p>	<p>-Seminars</p> <p>-Workshops</p> <p>-Courses included in the CRECD-MSc Program (15 courses)</p>
<p>Puerto Rico Clinical Translational Research Consortium – PRCTRC</p> <p>U54-RR026139</p> <p><a href="https://prctrc.rcm.upr.edu/es/prctrc-components/professional-development-core/">https://prctrc.rcm.upr.edu/es/prctrc-components/professional-development-core/</a></p>	<p>Enhance and support existing training and mentoring programs to increase the number of new minority investigators in <u>clinical and translational research</u>.</p>	<p>New and junior investigators at the UPR Medical Sciences Campus, Ponce School of Medicine and Health Sciences, Universidad Central del Caribe.</p>	<p>-Courses: “Introduction to the Principles and Practice of Clinical Research” and “Principles of Clinical Pharmacology”</p> <p>-Grant-Craftsmanship Seminars Series</p> <p>-Seminar Series in Clinical and Translational Research</p> <p>-Support to the Clinical and Translational Mentor Development Program (CTMD)</p>
<p>Hispanics in Research Capability - HiREC</p> <p>5S21MD001830</p> <p><a href="https://md.rcm.upr.edu/ehrsc/">https://md.rcm.upr.edu/ehrsc/</a></p>	<p>Establish a research environment and culture at the Schools of Health Professions and</p>	<p>Faculty and students interested in conducting research in health disparities.</p>	<p>-Courses in Health Disparities</p> <p>-Visiting Scientist Professorship Program</p>

	Medicine for young faculty and students working on <u>health disparities</u> .	Focus on: asthma, diabetes, stroke and autism.	
UPRCC/MDACC Partnership for Excellence in Cancer Research U54-CA0966300 <a href="http://www.cccupr.org/investigacion/educational-programs/">http://www.cccupr.org/investigacion/educational-programs/</a>	Establish a faculty development program to enhance <u>clinical, basic and prevention research in cancer</u> . The program has been established in collaboration with MD Anderson Cancer Center	Junior investigators with no-prior independent research from NIH.	-Seminars -Workshops
National Research Mentoring Network (NRMN) <a href="https://nrmnet.net/about-nrmn-2/">https://nrmnet.net/about-nrmn-2/</a>	Evidence-based mentorship and professional development programming that emphasizes the benefits and challenges of diversity, inclusivity and culture.	Researchers across all career stages in the biomedical, behavioral, clinical and social sciences.	-Pool of mentors -Mentoring resources -Webinars & workshops
